

## PUERTO RICO

2019

LATE JULY

### ABOUT OUR TRIP

Work within a Puerto Rican community doing various projects including hurricane clean up, building projects, visiting students and community members, and many others. Each day has Bible studies, prayer, and small group time. While being a US territory, Puerto Rico offers a cultural experience in addition to serving. Students do not need to know Spanish or have a passport to travel (although a passport is a good idea). \*\*this amount may change based on airfare.

### THE WEEK AT A GLANCE

- Depart on a Saturday, flying to Puerto Rico.
- Every day has Bible study or devotions and time for prayer. From the beginning to end of this trip, we are immersed into a community. We eat, serve and learn all within the same place.
- Return the following Friday
