FOC Preschool Summer Camps 2018

In the Deep Blue Sea...

June 19,20,21

Time: 9:00-11:30AM

Cost \$65 3-5 year olds

All God's creatures great and small, the Lord God made them all. From the tiny shrimp to the great blue whale, we'll discover the rich variety of sea life, as we pretend to take a submarine voyage and go scuba diving.

3 - 2 - 1 Blast Off!

August 7, 8, 9

Time 9:00- 11:30AM

Cost: \$65 3-5 year olds

We will take an imaginary trip to Outer Space and take a look at the wonders God created. Stars, constellations, and planets will be explored as we blast off in our rocket ship.

Monday Morning Garden Club

June 4, 11, 18, July 9, 16, August 6, 13

Time-9:00-11:30AM

Cost: \$140 4 & 5 year olds

We'll start the summer by planning and planting our garden boxes. We'll keep a garden journal and record our observations. We'll measure the growth as the summer goes on. Add garden art projects, stories, songs, snacks, a little tasting of our garden produce and you get a lot of fun and learning. Our Bible connection will be on creation, gardens in the Bible stories, and how God provides for us with the beauty and food a garden produces. This camp is most appropriate for 4 and 5 year olds, but we will consider older 3's.

SCIENCE & NATURE SUMMER CAMPS 2018

Sessions will be dependent on enrollment and will be filled on a first come basis. Please fill out the registration below and turn in with your payment. Anyone not currently enrolled in our program will need to fill out additional emergency information.
